

**Success stories don't just happen.  
They are made.**

**BOSCH**  
Invented for life

## **International Junior Managers Program Manufacturing**

**Innovation and know-how advantage determines the Bosch company success.  
Join us in mastering new tasks through your willingness to learn new things.**

For our location in Mellansel, Sweden we are looking for a future leader/manager in the area of Manufacturing starting from the third quarter of 2015.

The Robert Bosch GmbH is represented in 50 countries on all five continents. We therefore rely on the development of advanced technologies and the further penetration of international markets for global collaboration.

"Made by Bosch" is the mark of excellence of a global player – not just in products and services but also in careers. The best example is our Junior Managers Program, a worldwide program for young leadership talent. It guarantees common standards across the Group in terms of training content and development goals, while setting the benchmark for the qualifications demanded of our future managers.

### **Your tasks:**

- ▶ The program takes 24 months which are divided in 4-6 stations of up to 6 months each
- ▶ You get to know different areas of the company in your personalized program
- ▶ At least one station abroad is an integral part of the program
- ▶ You demonstrate your abilities in lean production, supply chain management, quality methods and statistics, production processes
- ▶ You handle tasks and projects independently which will help you become familiar with the global engineering processes at Bosch and also the standards in the Bosch Rexroth Industry
- ▶ A diverse and continuing training supports your professional and personal development
- ▶ Your personal Mentor helps you in designing the program individually through necessary advice in your career planning

### **Your profile:**

- ▶ You should be close to or already have completed your study of Mechanical/Industrial Engineering or a similar graduation in Manufacturing Technology with excellent scores in your diploma at a Master level or comparable
- ▶ You already have acquired relevant experience via either student jobs or a shorter professional career max up to 3 years and preferably also have some international experience
- ▶ You are interested in a future management function
- ▶ You are motivated by versatile tasks and are able to cope with different situations on short notice
- ▶ Additional knowledge of hydraulics and/or lean production would be an advantage
- ▶ You are expected to be fluent in English both verbally and in writing, as well as having a basic knowledge of Swedish
- ▶ You are self-directed, with a strong sense of initiative and have the ability to work independently as well as an integral member of a team.

### **Your Application**

Academic Work is handling the recruitment on behalf of Bosch. Job Id: 14954163

Please submit your cover letter and CV in English and add a scanned copy of your latest grade transcript via the application link here: <https://www.academicwork.se/annons/international-management-trainee-program-for-bosch-rexroth/14954163>

Application deadline: 20 April 2015

As a part of the recruitment process the selected candidates will have to participate in an Assessment Centre. The Assessment Centre will be held on 12 May 2015 in Mellansel, Sweden and you need to be able to participate the whole day.
